

# Handy Dri / Hair Drier

Warm air dryers

# Handy Dri / Hair Drier

Warm air dryers are the cleanest, cheapest way of providing hand and hair drying facilities.

We've developed three types: the Handy Dri hand dryer, available in manual 1.4 and 1.8kW models, and a 1.4kW 'no-touch' model; the Handy Dri 24, a 'no-touch' model rated at 2.4kW for fast hand drying; and the Hair Drier, which is ideal for hotel bedrooms, nursing homes, health clubs and sports centres.

Each of our hand and hair dryers is covered by a two year guarantee with on-site support.

# Handy Dri / Hair Drier

## Handy Dri 24

The Handy Dri 24 range offers hygienic 'no-touch' automatic on / off hand drying.

Its multi-directional air jet concentrates the flow of air to ensure that hands are dried comfortably, quickly and economically.

- 2.4kW @ 240V for rapid hand drying.
- Tamper-proof fixings and flush wall-mounting ensure maximum protection against vandalism and theft.
- Automatic on / off function controlled by infrared proximity switch for hygienic hand drying.
- Heavy duty steel housing with a choice of satin chrome, chrome or white.

## Handy Dri

The Handy Dri range consists of three models offering a choice of push-button or 'no-touch' operation and provides a comfortable balance between temperature and air flow for safe and effective drying.

- 1.4kW (Handy Dri 14) and 1.8kW (Handy Dri 18) push-button operated units.
- Alternative 1.4kW 'no-touch' unit (Handy Dri 14E).
- Automatic switch-off after 30 seconds.
- Handy Dri 14E has automatic switch-off via sensor.
- High efficiency fan and air flow system.
- Stylish, compact design.

## Hair Drier

A safe, easy to use, wall-mounted hair dryer for use in hotel bedrooms, nursing homes, health clubs and sports centres. Drying time can be set from one to ten minutes with an automatic 'off' function to prevent continuous running. The timer can also be manually overridden to switch the drier off.

- Styling suitable for modern interiors.
- No safety hazards from plugs and cords.
- Wall-mounted for added security.
- Powerful 1kW element for fast drying.
- User-adjustable one to ten minute running time.
- 1.4m flexible hose and swivel nozzle.
- Timer with automatic switch-off.

# Full specifications

## Handy Dri 24

### Specification

#### Rating

2.4kW @ 240V (2.2kW @ 230V).

#### Weight

6.6kg unpacked, 7.5kg packed.

#### Outer casing

Vandal-resistant steel with a choice of satin chrome, chrome or white enamelled finish. Tamper-proof cover screws.

#### Nozzle

Chrome plated zinc. 360° swivel.

#### Heat unit

Open coil wound on a former.

#### Motor / fan

Compact high-performance fan with ball bearings for longer life (approx. noise level 80dB +/- 3dB (A)).

#### Air speed

20 m/s.

#### Air volume

51 l/s.

#### Approx. drying time

28 seconds.

#### Safety features

Heater and fan motor protected by auto reset thermostats. Automatic power inhibit to protect against irregular use. Infrared proximity switch.

#### Ingress protection

IPX1.

### Installation

#### Fixing
